## **Privacy Policy**

### **Collection of Information**

This clinic collects personal information of patients and clients (e.g. name, phone number, email). We ask consent to communicate with you directly, to fulfill specific patient requests. We also ask you to give us permission to add you to our general mailing list.

### **Statistics & Tracking**

Our website uses cookie and tracking technology which creates statistics showing the browser types, operating systems and number of unique visitors to our site. Cookies do not cull patient identities.

### **Distribution of Information**

We do not sell, rent, or intentionally share or release any personal information to third parties. When you consent (e.g. to a third party such as ICBC, WCB or an extended insurance provider) we will share your information based on your consent.

### **Security**

Protecting our patients' personal information and safeguarding you from misuse are among our highest priorities. We employ security mechanisms in our electronic databases and have stringent privacy practices in place for staff in clinic.

### **Unsubscribe**

Our clinic electronic communication includes an unsubscribe option. You can also contact our clinic directly to request no further communication from us or to change the method of communication.

### **Contact**

If you have questions or concerns regarding our privacy policy, please speak to Dr. Karen Fraser, ND – phone: 250-729-4969.
